SUMMARY

Product marketing professional with over 5 years of experience in B2B payments, responsible for brand strategy, product positioning, go-to-market execution, sales enablement, and demand generation across India, Middle East, Africa, and Asia-Pacific. Led the repositioning of a 35-year-old payments company from a legacy vendor to a modern, AI-powered platform brand. Created the company's corporate website from the ground up, built a flagship industry event from scratch, and own all product content across 6 product lines and 3 regions. Built the company's first AI chatbot, pioneered augmented reality in event marketing, and integrated AI into daily content production workflows.

PROFESSIONAL EXPERIENCE

Financial Software and Systems (FSS)

Product Marketing Manager

May 2021 – Present

Brand Revamp: Legacy to Modern Platform Player

Led the complete brand repositioning of FSS from a legacy payments vendor to a modern, AI-powered platform company, creating the Branded House architecture that unified messaging across all products and regions, and contributing to a Media Share of Voice improvement from #5 to #1 in India among competitors sustained over four years.

New Website: Built from the Ground Up

Built the corporate website from the ground up with over 30 SEO-optimised pages, entire new martech stack for lead capture to email workflow, built an AI chatbot, achieving 100%+ organic traffic growth, 32 keywords ranking at the #1 position on Google, over 40% Answer Engine Optimization (AEO), 15,000+ monthly views with an average time-on-page increase of +1min.

Simply Payments: Built a Recognised Payments Industry Event from Scratch

Led Simply Payments, FSS's flagship CXO event series, growing it from 27 attendees in 2023 to over 175 in 2025 with 40+ banking CXOs, 60,000+ live viewers on Moneycontrol, a CNBC TV-18 telecast, and Forbes India coverage. Launched the Dubai edition at Grosvenor House with 70+ senior attendees and Khaleej Times coverage.

Product Marketing & GTM Execution

Own positioning, messaging, and go-to-market for the full product portfolio including FSS BLAZE, Payment Gateway, Card Management, Switch, Reconciliation, and the AI product suite. Led BLAZE GTM across the Middle East and APAC, directly enabling the acquisition of 6 new banking clients and influenced a pipeline worth 500+ Cr. through persona-driven decks and account-specific close packs.

Content Strategy & Sales Enablement

Create all product content that goes to market: brochures, product presentations, pitch decks, case studies, videos, investor decks, one-pagers, and RFP responses. Maintain the complete sales enablement stack including competitive battle cards, ROI frameworks, and CIO-facing migration assessments, updated with every product release.

Campaigns, Content & Digital Marketing

Grew the LinkedIn community from 24,000 to over 75,000 followers with 60% from the banking industry. Ran paid campaigns across India, Middle East, Africa, Europe and Philippines, achieving a 0.96% CTR that outperformed B2B benchmarks generating qualified leads at director level and above.

Innovation & AI Pioneering

Pioneered AI and innovation initiatives across FSS: built Merlin, the company's first AI-powered chatbot (400+ interactions across 3 continents), introduced augmented reality in events, designed an AI-powered account observability dashboard, and was the first person in the organisation to use AI for content production at scale. Member of AICOE and nominated 3 month professional AI training by leading industry expert on "How to Build with AI".

Accomplishments: Runner Up, RBIH NCMC Ideathon (2024), E4M Indian Marketing Awards (2024), Digital Dragon Awards (2025), Best Event Marketing Campaign – World Fintech Awards (2026).
